Workshop Details

Farm to School 101

Come learn how to bring more local, fresh produce into school cafeterias and increase nutrition education in classrooms and school gardens. We'll eat a locally-grown lunch, learn about the basics of Farm to School and identify opportunities in Santa Clara County to connect schools with farms. Activities, lessons and resources that link nutrition, food and farming education to school gardens and the classroom will be highlighted.

RSVP by emailing Emma Mae Hoag at emma@caff.org or by calling 831.254.3112.
