

Sign your classroom up for monthly locally grown produce tastings!

# Harvest of the Month

*Serving Sonoma and Marin Counties*

## What teachers are saying

*"Your program is such a benefit to our curriculum. We are able to utilize it in all subject areas. The added benefits are that it is hands-on, 'taste-on', and healthy. What more could we ask for?"*

### *What it costs...*

- \$15 per kit each month
- 7 kit minimum order per school required
- 3 month minimum commitment

For one year of participation, the cost of this program equals about \$0.44 per student!

### *How it works...*

Each month, classes receive a Harvest of the Month tasting kit featuring a different locally grown produce item, farmer profile and teaching materials. The program runs from September to May, providing 9 months of experiential learning.
